If you can trace your family record back further than this, it would be a valuable record. Church records, birth, baptism and marriage certificates are very helpful. A short letter to the present pastor of a former church of the family will sometimes bring good results, even behind the Iron Curtain. If there are two or more children in the family, you have brought this paper from school, enter both of all their names wherever reads "four names" and give this blank to a family who have no children in school. There are extra forms at school and in the town library. The Historical Committee would like them returned before January 1, 1999. Thank you.
