

1970 is Hatfield's 300th birthday year. The Tercentenary Committee is preparing a book on the history of our town. If Hatfield families contribute their family genealogy at this time, it will be a great help to the present Historical Committee as well as future historians. Fill in the blanks...as far as you can, with all the help you can get, and return to your teacher or the Hatfield Library. Please print clearly, in ink....for history. If you are not sure of exact dates, make a close guess and place a question mark next to it, for example: 1894?

If you can trace your family record back further than this, it would be a valuable record. Church records, birth, baptism and marriage certificates are very helpful. A short letter to the present pastor of a former church of the family will sometimes bring good results, even behind the Iron Curtain. If there are two or more children in the family who have brought this paper from school, enter both or all their names where it reads "Your Name" and give this blank to a family who have no children in school. There are extra forms at school and in the Town Library. The Historical Committee would like them returned before January 1, 1969. Thank you.
